OUR 5 FAVOURITE FUNDRAISING TIP

Make a Personal Donation: Show your supporters how committed you are to your goals by donating to your own fundraising campaign. Your donors are more likely to see how important the cause is to you if they see that you've invested in your own efforts.

Rally your Supporters: Keep your Walk Team Members in the loop with regular updates in an email group or Team Facebook page. Share stories of living with T1D, your fundraising successes and inspire them to do the same!

Get Social: Log in to your Participant Centre and learn how to easily share your fundraising page on Facebook, Twitter or via email. Don't forget to personalize your fundraising page with a photo and story for maximum impact.

Follow Up, Follow Up, Follow Up: Studies show it usually takes up to three asks for an interested donor to finally donate. Whether you're sharing your fundraising plans on social media, chatting about your efforts with friends and family directly, or sending emails, following up is a key step in the fundraising process.

Don't be Afraid to Think Big: Be bold and ask for a specific amount from a business or individual. Write a personal email or letter sharing your T1D story and ask for their support. Follow up your request with a phone call and if you're successful in securing a donation, don't forget to send a personalized thank you note.
